Large or small:

From an intimate group of 6 - 8 on up, this is the place for you! We can accommodate up to 24 adults and children in the complex with 9 bedrooms, each with their own bathroom, and four pools. Take only what you will need, anywhere from a two bedroom townhouse to the full complex.

Need more space?

Add nearby villas, condos, or hotels: we can help make arrangements with our neighbors and friends for any size wedding!

Celebrate:

Just the right venue for your events - right here. Select the location for your vows and then take full advantage of this magnificent location for your big party!

- indoors in the great room
- outdoors in the courtyard
- outdoors on the grass overlooking the lagoon
- outdoors under tents
- or just a short drive away on a beautiful white beach.

With the assistance of skilled local professionals, you can be assured that you will have the best food, the best service, and the best memories - and for far less than you would pay at one of the large resorts.

Relax:

Akumal is a quiet, family-friendly place with lots of good restaurants and plenty to do in a laidback atmosphere that is getting harder and harder to find. Once here, sit back and enjoy the magnificent vistas over the lagoon, the jungle, and the ocean, cool off in any of the five pools, lounge on the patios with your friends, or use our two private entrances to enjoy the spectacular snorkeling in Yal Ku lagoon.
